OUR MISSION

We are excited to announce the start of the St. Philip's Homeschooling Co-Op. Our mission is to bring likeminded families together for the purposes of building a strong Orthodox Christian life and community that extends beyond Sundays and into every facet of our lives. Our co-op will provide supplemental education to our little ones, from Preschool to 6th Grade, using St. Athanasius Academy, a department of the Antiochian Archdiocese of North America. This program will be held in person at St. Philip's every Tuesday and Thursday, from 9:00 a.m. to 3:00 p.m. We're also planning extracurricular activities such as a "church day" with Fr. Alex, etiquette classes, field trips, and park days, with more to come! (You don't need to be homeschooling your children to participate in the co-op's future extracurricular activities. Just let us know, and we'll always keep you posted!) The costs for the co-op are split among the participating families on a per-child basis.

If you're interested in homeschooling but don't know how to go about it, please contact
